About UbuCon & UbuCon Asia

UbuCon (Ubuntu Conference) is an event organized by Ubuntu Communities across the world.

The focus of the event is **Ubuntu**, a modern, open source operating system on Linux for the enterprise server, desktop, cloud, IoT and more. and other free and open source technologies.

UbuCon Asia is one of regional UbuCon events that especially focuses on Asia region organized by Ubuntu Communities and other free and open source communities across Asia.

This fall, **the first UbuCon Asia event** will be organized as **fully virtual event** in **September 2021**. We're preparing 2 days of talks, conferences, panel sessions, workshops and social events for all participants.

The virtual event venue: Eventyay

UbuCon Asia will take place online using **Eventyay**, an open source event management system.

Eventyay offers a wide range of **features that facilitate online interaction and communication** including **video integration** with BigBlueButton and Jitsi, chat channel and virtual booth.

Additionally it also provides **event management tools** such as call for speakers, scheduling, registration, custom attendee form, ticket sales, promotion code, sponsors branding, speaker position arrangement and more.

Many Global and Virtual events such as FOSSASIA Summit 2021 **already took place with huge success** using **Eventyay**. With Eventyay, **diverse people around the world** will be able to **join and exchange easily**. And it will lead **the first UbuCon Asia to a successful event**.

Event program details - Sessions and Slots

- Maximum 4 session rooms simultaneously
- Talks (30 or 45 minutes including Q&A time.)
 - English session: Live or Pre-recorded

Become a sponsor

As a **non-profit** and **community organized** event, Even if it's fully virtual, **We need sponsors to make the first UbuCon Asia happen.**

By becoming one of our sponsors, you are directly **contributing** to **research and development of Ubuntu and Open Source Software**, and also **making Open Source Community more active and sustainable.**

With hundreds of Ubuntu users, developers and enthusiast **across Asia** participating the event, It's a great chance to **empower** your company's **branding that leads the industry** within **international audiences**, promote as employer and interact with attendees to **hire new people** for your company.

Sponsor benefits

- Logo on Website, session videos and swags
- Marketing opportunities
 - Marketing email sent to attendees
 - Promotion through our social media
 - Localized promotion through marketing channels of local communities
- Sponsored session slots with sponsor's own branding.
 - Talk session(30 minutes)
 - Workshop (1~2 hours)
- Virtual booth to engage with attendees
 - Virtual booth page with logo, short video and slide to introduce your company to attendees.
 - Video call room to interact with attendees.
