

Kelompok Linux Arek Suroboyo (Surabaya Linux User Group) (KLAS) is one of the Linux user groups in the city of Surabaya. We have been around since 1995, and are still active today. We have several routine agendas and facilities that we do and until now we have facilitated them to support Go FOSS activities in Surabaya.

For more information, please contact :
Andhika (+62 895 6314 21101)
Arifin (+62 813 3652 4010)
